[RUSH] MESSAGE: Please verify how many foreign priorities there are - the bib sheet only has one. It looks like two on the oath, but its illegible.

THANK YOU

[XRUSH] RESPONSE: There is only one foreign priority. The existing bibliographic sheet is accurate and does not need changing.

As to the Declaration, the "looks like two on the oath" comment made above is incorrect; the "second" false foreign priority document you think you see on the Declaration is actually the filing date of the single foreign priority, claimed in the Declaration.
